Re: *United States v. Gerald Shaw*, 23 MJ 3027 (UA)

Your Honor:

With the consent of both the government and Pretrial Services, I write to ask that the Court modify Mr. Shaw's bail conditions by removing location monitoring. All parties agree that the condition is more restrictive than necessary for Mr. Shaw who has been fully compliant with Pretrial Services since he was released pursuant to bail conditions on April 20, 2023.

Mr. Shaw's release will continue to be secured by all other previously set conditions, including a \$100,000 personal recognizance bond that has been co-signed by Mr. Shaw's partner, travel restrictions, and Pretrial Services reporting requirements.

Thank you for your attention to this matter.

Respectfully Submitted,

/s/ Julia Gatto
